SUMMARY

Commercial leader with 5+ years running full-cycle B2B sales, account growth, and cross-functional teams for US market clients within the consulting and private equity ecosystem. Grew a strategic US-based account 300% to \$1M in annual recurring revenue (ARR), scaling to a \$250K monthly run rate, while managing the complete deal lifecycle, prospecting, negotiation, renewal, and expansion, across 40+ concurrent client relationships. Directed pipeline management and stakeholder alignment for a 60+ person commercial organization (15 direct reports) covering the Americas region, partnering cross-functionally with Product and Engineering on go-to-market (GTM) decisions. Combines consultative selling and strategic partnership development with an analytics foundation (SQL, Python, Power BI) and a track record of ramping quickly on new sales technology and CRM platforms. MBA candidate, bilingual English/Spanish.

PROFESSIONAL EXPERIENCE

Dialectica

Bogota, Colombia

Manager, Commercial & Strategy Coverage, Americas (US Market)

February 2024 - September 2025

- Grew a strategic US-based account 300% to \$1M in annual recurring revenue (ARR), reaching a \$250K monthly run rate and anchoring the team's largest renewal.
- Directed a 60+ person commercial organization (15 direct reports) across the Americas region, exceeding weekly pipeline and conversion targets throughout the fiscal year.
- Negotiated and renewed contracts across 40+ concurrent US client engagements, sustaining strong renewal rates through full-cycle deal ownership from discovery to close.
- Partnered with Product and Engineering on GTM strategy for the B2B Surveys product, translating client feedback into enhancements that increased adoption across the account base.
- Modeled revenue forecasts and pricing scenarios in SQL and Excel, surfacing the expansion opportunities behind the account's 300% growth.

Senior Associate

October 2023 - February 2024

- Owned research delivery for top-tier US consulting and private-equity clients, coordinating a global expert network to meet strategy and due-diligence deadlines.
- Served as primary liaison between US client case teams and external experts, sustaining repeat business through consistently on-time delivery under tight timelines.

Associate

September 2022 - October 2023

- Interviewed 200+ C-level executives and global industry experts, converting raw intelligence into structured insights that informed US client strategy and investment decisions.
- Structured primary research and competitive analysis for US consulting and private-equity clients, breaking ambiguous questions into testable hypotheses that streamlined case-team workflows.

Ecorunner

Bogota, Colombia

Founder & General Manager, | Entrepreneurship (D2C Clothing Brand)

2021 - 2024

- Founded and scaled a direct-to-consumer clothing brand from a \$100 initial investment to ~\$1K in monthly sales, running the venture end to end alongside a full-time role.
- Negotiated supplier contracts and managed production end-to-end, controlling unit costs and margins from the ground up.
- Planned and executed marketing campaigns and B2C sales that built demand and drove repeat customers.
- Closed sales at 6 fairs and pop-up markets, building a repeat-customer base across diversified retail channels.

Sergio Arboleda University

Bogota, Colombia

Auxiliary Teacher - Strategic Management

April 2024 - May 2024

- Delivered undergraduate Strategic Management courses through case studies and simulations, achieving a 98% course completion rate with a real-world, case-driven curriculum.

Expreso Bolivariano

Bogota, Colombia

Business Development

December 2021 - June 2022

- Accelerated B2B growth in the delivery segment through data analysis and market intelligence, optimizing the core business model and reducing overhead costs.
- Formulated partnership strategies and standardized shipping workflows, expanding the corporate client base across new commercial segments.

NomoWaste

Bogota, Colombia

Project Manager

March 2019 - September 2021

- Sourced, structured, and executed strategic projects and commercial partnerships, blending market analysis with rigorous PM discipline.
- Won the AB InBev Accelerator 100+ award (2020) for the corporate sustainability initiative "Return Home."
